CORRIGENDUM

With reference to invitation for bids for frame work contract advertised on 23.01.2020 at PPRA and Agriculture Department websites, it is clarified that the required specification of tonner cartridge may be read as "genuine new and not refilled" instead of original. All the other terms and conditions will remain the same.

  
(Muhammad Rafiq Akhtar) 04/21/2020  
Director Agricultural Information,
